SEPTEMBER 30, 2005

The Hamilton County Board of Commissioners met on Friday, September 30, 2005 at 7:30 am at the Hamilton County Highway Department, 1700 S. 10th Street, Noblesville, Indiana. A quorum was present of Commissioner Christine Altman and Commissioner Steven C. Dillinger. Commissioner Steven A. Holt was absent.

Concrete Pavement Association

Mr. Pat Long and Mr. Mike Byers, American Concrete Pavement Association presented the commissioners with information on using concrete for the 146th Street Extension project. Due to the size of the project a plant would probably be set up on site. No additional right of way would be needed for the plant. There would be two different designs needed. At this time no extra design costs would be incurred, but the design is fast tracked to meet the completion date. Dillinger stated his concerns with the joints when using concrete.
